

Liger Sportz — Investor Pitch Deck

Investor Opportunity

Valuation: \$30 Million (Pre-Money)

Patent Pending | Global Scalability | Skill-Based Wagering

Liger Sportz is offering a unique opportunity to become an early stakeholder in a next-generation hybrid sports wagering platform.

- Seed Round: \$1,000,000
- 5 Investors
- Investment per Investor: \$200,000
- Equity per Investor: 0.77%

Why Liger Sportz?

- Patent-Pending Hybrid Gameplay Models
- Fantasy and Parlay Scoring System — not chance-based
- Scalable Across Sports: Boxing & NFL, (not limited to) NBA, UFC, Cricket, Soccer, etc.
- Real-Time Engagement — Fans track every punch, yard, and stat live.
- High Retention & Gamification Potential

Liger Sportz — Hybrid Skill-Based Wagering System

Liger Sportz is a proprietary hybrid wagering platform that combines:

1. Fantasy and Parlay Sports Mechanics
2. Traditional Betting Odds
3. Live Performance Tracking

Payouts occur only when players hit performance threshold.

Core Mechanics

- Pick Structure → Select fighters (Boxing) or lineups (NFL).
- Scoring System → Points earned/deducted for live performance.
- Threshold → Hit the target score to trigger payout.
- Odds → Fixed 6-to-1 payout.

Liger Sportz — Boxing Edition

Per Round

- +50 points per round won (judges' scorecard)
- +100 points for a knockdown scored
- +300 points for a knockout victory
- +500 points for a 1st-round knockout
- +50 points for every clean jab landed (CompuBox/scoring feed)

Defense & Endurance

- +100 points for dodging 10+ punches cleanly in a round
- +200 bonus if fighter goes the distance without knockdown

Penalty Deductions

- -150 for knocked down
- -300 for knocked out
- -200 for point deduction (low blows, headbutts, etc.)
- -100 for poor conduct (unsportsmanlike/trash talk fine)

Bonus Rounds

- +500 for Fight of the Night
- +1000 if fighter wins by KO and earns Fight of the Night

Winning Threshold

- Earn 5,000 total points from 5 selected fighters
- Payout: 6-to-1 odds

Liger Sportz — NFL Edition (Ticket Format)

Player Selections

- 3 Quarterbacks (QB)
- 3 Running Backs (RB)
- 3 Wide Receivers (WR)
- 3 Tight Ends (TE)
- 3 Cornerbacks (CB)
- 1 Team Defence (DST)

Scoring System

- QB: 1 point per passing yard
- RB: 1 point per rushing yard
- WR: 1 point per receiving yard
- TE: 1 point per receiving yard
- CB: 200 points per interception
- DST: 200 points per sack, 300 points per pick-six
- Special Teams: 500 points for 75+ punt return yards
- Money Pick: 1,000 points if win is by FG, Receiving TD, or Rushing TD

Winning Criteria

- Total Points Required: 4,000
- Payout: 6-to-1 odds (e.g., \$100 wager = \$600 return)

Liger Licensing System Build Cost

1. Core Liger Engine – \$250,000
 - Dual condition win logic
 - Independent settlement per pick
 - Threshold scoring for all sports
 - Live results tracking
 - Multi-sport, multi-operator support
2. Data Processing Layer – \$100,000
 - Live sports data integration (Sportradar, Genius Sports, CompuBox, etc.)
 - WebSocket + API for real-time scoring
3. API & SDK Development – \$75,000
 - REST API endpoints
 - SDKs for operators
 - Security & authentication
4. Admin & Partner Dashboard – \$50,000
 - Manage scoring tables & thresholds
 - Real-time monitoring & analytics
5. Compliance & Certification – \$60,000
 - GLI/BMM testing
 - State-by-state compliance checks
 - Security audits
6. UI/UX (Demo + White Label) – \$50,000
 - Simple front-end demo
 - White-label platform for small operators
7. Contingency & PM – \$50,000

Build Cost 1,000,000

Timeline: 6–8 months (MVP ready)

Growth Potential

- Sports-book Licensing — white-label opportunities globally
- Operator Integration — simple API integration with existing sportsbooks
- Market Expansion — launch with NFL + Boxing, expand into NBA, UFC, Soccer, Cricket
- Monetisation — licensing fees + revenue share on wagers
